Nick Casson -Incumbent

My wife, Paige, and I and our three boys have been members of Pacific Sands Cabana Club for over fourteen years. As a family over the years we have enjoyed the activities the club has to offer including swim team, tennis, family BBQ's and Holiday parties. I have worked for the fire dept locally for over 30 years and have a strong commitment to volunteer in the community whether it's coaching sports teams, helping at school, help fundraise for the burn foundation, or help with the Xmas toy drive every year. The Cabana Club has grown and improved over the last few years. My last two years as a board member have been fun and challenging. We have made great improvements such as replacing an old, unsafe diving board, replaced the algae covered unsafe concrete by the showers. I would like to continue to work for the members to keep the club a safe, fun, relaxing place for all of us to enjoy. Thank you for your consideration.

Bob Church - Incumbent

I have lived in Huntington Beach for over ten years with my family. I have been an active member of the club for over six years. I have had the privilege of serving on the Executive board for the last four years and as President for the last two years. This has truly been a family experience for me. My wife and three children enjoy the club year round. It has been my responsibility to make sure that the club is able to sustain its financial obligations while continuing to keep the cost down for the membership. With the help of the Executive board, office staff, lifeguards and maintenance staff we try to keep the club as safe and enjoyable for all of the club members. I would like to continue helping the club keep its popular status with the members as well as in the community.

Randy Clark -Incumbent

The Clark family is a second generation Cabana Club family. Randy and his wife, Wendy, have two daughters, Natalie (9), Georgene (7) who are currently participating in the year round swimming and tennis programs. The Clark family also has a two year old son, who will hopefully be equally active in the club. Randy has extensive financial budgeting and planning experience as an analyst for a large medical company. With three young children Randy hopes to ensure that the Cabana Club remains on strong financial footing while enhancing the overall membership experience.

Bob Kluck- Incumbent

Hi!

My name is Bob Kluck and I am running for re-election for the Pacific Sands Executive Board. I am a second-generation club member, my family joined the Cabana Club when I was fourteen years old. I have now been a club member for 43 years. My family enjoys social activities at the club and I have a daughter and two sons on the swim team. I have a Masters Degree in Public Administration and I am employed as a High School Instructor in Anaheim. In my spare time I am a Soccer Referee and an Assistant Scout Leader. My goal is to see that the club is clean, safe and well maintained and that we continue to operate in a fiscally responsible manner. All of the board candidates are well qualified and any one of us is a good choice!

John O'Connell

My family and I have been members of the Pacific Sands Cabana Club since 2011. We are part of the summer and winter swim teams; we have taken tennis classes and played tennis as a family at the Club; and have enjoyed many holidays at the Club. I believe that the Club has been a great experience for my family and I want to contribute toward its continued success.

I am currently employed as an asset manager for a private real estate group. I have been with the company for twenty years. We actively manage eight communities in three states. I personally manage a senior community here in Orange County that has 328 home sites. I meet with the homeowners and the homeowner's board throughout the year. Some of my responsibilities are similar to those of the Club Board: dealing with maintenance issues, financial reports, budgets, permits with municipalities, and resident issues. I have attended the last two Cabana Club board meetings and believe that I can help.

Steve Schulz:

I have enjoyed my Cabana Club membership for over 10 years. Both my boys swim for Penguins and Surf City as well have taken many tennis lessons. We've celebrated many birthdays and sports parties here as well as I swim here daily with the Masters Program. I have volunteered for boards of Penguins Swim Team and Surf City. Too many weekends spent here to count and we look forward to many more. I want to work on the board and help the club be even better!
