Nick Casson -Incumbent

My family and I have been club members for approximately 17 years. Over the years we have enjoyed all the activities the club has to offer, including swim team, tennis, family BBQ's and of course the holiday parties. I have worked for the fire dept. locally for over 30 years and have recently retired. I have a strong commitment to volunteer in our community whether it is coaching sports teams, volunteering at school functions or being an asst. Scout Master.

Over the past 2 years we have implemented a number of improvements to the club and grounds including installing the new gate entry system, a new camera system which we used to catch a number of after hours visitors this summer, a new roof and refurbishing the tennis courts.

I am running again for the Executive board because I am committed to the Cabana Club and want to see it maintained for future families to enjoy. There are still more improvements to the club that I would like to see completed over the next two years including renovations to the showers, pool deck and drainage system and updating the tennis court lights.

Thank you for your consideration.

Bob Church - Incumbent

I have enjoyed being a member of the Cabana Club for over eight years. My wife Leah and three children Jonah, Sawyer and Sailor view the club as their second home with a large family. Six years ago I joined the Executive board and have served as President for the last four years.

Being a board member I will continue to make the Cabana Club as welcoming to all members as possible. It has been my responsibility to make sure that the club is able to sustain its financial obligations while continuing to keep the cost down for the membership. With the help of the Executive board, office staff, lifeguards and maintenance vendors we try to keep the club as safe and enjoyable for all of the club members. I would like to continue helping the club keep its popular status with the members as well as in the community.

Randy Clark -Incumbent

The Clark family is a second generation Cabana Club family. Randy and his wife, Wendy, have two daughters, Natalie (11), Georgene (9) who are currently participating in the year round swimming and tennis programs. The Clark family also has a four year old son, who will hopefully be equally active in the club. Randy has extensive financial budgeting and planning experience as an analyst for a large medical company. With three young children Randy hopes to ensure that the Cabana Club remains on strong financial footing while enhancing the overall membership experience.

Bob Kluck- Incumbent

Hi!

My name is Bob Kluck and I am running for re-election for the Pacific Sands Executive Board. I am a second-generation club member, my family joined the Cabana Club when I was fourteen years old. I have now been a club member for 43 years. My family enjoys social activities at the club and I have a daughter and two sons on the swim team. I have a Masters Degree in Public Administration and I am employed as a High School Instructor in Anaheim. In my spare time I am a Soccer Referee and an Assistant Scout Leader. My goal is to see that the club is clean, safe and well maintained and that we continue to operate in a fiscally responsible manner. All of the board candidates are well qualified and any one of us is a good choice!
